

Word Processing Techniques Essential

This is to certify that:

Jane Wairimu Mureithi

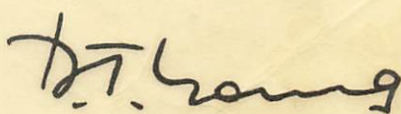

has been examined by Pitman Qualifications in the above subject and
has achieved the following standard:

First Class

08 June 2000

PQ0168992/EAKO328/42574/28/10/1975

Chairman
The City and Guilds of London Institute

Director-General
The City and Guilds of London Institute

Essential Level

The candidate has demonstrated the ability to use essential word processing skills to produce documents accurately, efficiently and with professional presentation.

Objectives achieved:

- Creating and effectively displaying a variety of business documents from handwritten and word processed drafts.
- Retrieving and editing documents using facilities to insert, delete, move, underscore, centre and tabulate.
- Proof-reading, correcting, saving and printing of documents.

Intermediate Level

The candidate has demonstrated the ability to use a wider range of word processing skills to prepare, process and produce business and other documents accurately, efficiently and with professional presentation.

Objectives achieved (in addition to those at Essential level):

- Creating/assembling documents from standard paragraphs and production of documents of more than one page.
- The more complex display of documents, with variations in line spacing and margins and the creation of tables.
- Extending proof-reading to include expansion of abbreviations and retention of those in common use.

Assessment by a time-constrained examination, which consisted of realistic tasks, was against the following criteria:

- Production rate
- Format/layout
- Accuracy (Essential: 98.5% for a Pass, 99% for a First Class Pass; Intermediate: 98.5% for a Pass, 99% for a First Class Pass)

The above syllabus supports some of the requirements for the appropriate UK NVQ. Full syllabuses may be obtained from Pitman Qualifications.
