Dear Prof. Nura Mohamed,

RE: APPLICATION FOR THE POSITION OF LECTURER I (KSG 7)

I am writing to express my interest in the position of Lecturer I at the Kenya School of Government (KSG). With a strong background in economics and public policy, coupled with extensive experience in research, training, and consultancy, I am confident in my ability to contribute effectively to the institution's mandate of capacity building, research, and policy advisory.

Currently, I serve as a Research Fellow at the Centre for Public Finance at KSG, where I coordinate research, training, and consultancy programs. My role involves supervising research students in the Senior Management Course, presenting research papers at conferences, preparing research grant proposals, and developing high-quality publications and training manuals. Prior to this, I worked as a Policy Analyst at the Kenya Institute for Public Policy Research and Analysis (KIPPRA), where I conducted policy research, facilitated capacity-building initiatives, and contributed to various policy discussions and publications.

My academic background includes a Master of Arts in Economic Policy Management from the University of Nairobi and a Bachelor of Economics from Kenyatta University. I am currently pursuing a PhD in Economics at the University of Nairobi. Additionally, I am an active member of professional bodies, including the Certified Investment and Financial Analysts (ICIFA) and the Economic Society of Kenya (ESK).

Transitioning from research to lecturing aligns with my career aspirations as I am currently undertaking my PhD and have a strong passion for facilitation. Moving into a Lecturer I role will enable me to take on more facilitation classes, contributing to the development of public servants and policy practitioners through impactful training and mentorship.

I welcome the opportunity to discuss how my skills and experience align with this role. Thank you for your time and consideration.

Sincerely,
Purity Kagendo Mugambi
