The Director General,
Kenya School of Government,
P.O. Box 23030 – 00604,
NAIROBI.

Dear Sir,

RE: POST OF PRINCIPAL ICT OFFICER –JOB REFERENCE NO. PICTO/31/2024-25

I write in reference to the internal advertisement dated 26th March 2025, declaring above referenced vacancy in the School. I believe I have the competence to ably serve in that capacity as a graduate with a Master's degree in Information Systems, and a Bachelor's degree in Computer Science & Engineering and having professional qualifications as Certified Information Systems Auditor and Microsoft Certified Professional with Cisco Network training. I have also trained in several Microsoft Certified Systems Engineer certification papers and Microsoft SQL Server 2008. Equally, I have undertaken Strategic Leadership Development Program and Senior Management Courses.

Currently, my role in Kenya School of Government, Embu Campus as Senior ICT Officer has provided me with the experience necessary to manage and support the ICT systems and infrastructure in the School. I am actively involved in supporting the School fulfil its core mandate through management and support of the ICT infrastructure (ERP System, hardware, and software), support of local area network(LAN) and wide area network(WAN), and execution of preventive maintenance of ICT infrastructure. I am a member of the committee championing the automation and digitization initiatives in the School such as revision of the ICT policy, website development, use of ERP System and development of the School's ICT master plan. This has enhanced my team management skills, problem solving, critical thinking and decision making.

Furthermore, I support the training activities of the School through facilitation of training in ICT related units in the various courses the School offers such as in Management Skills Course, Management Course for Office Administrator, Essential Computer Skills, Public Relations & Customer Care, Revenue Enhancement Skills and Supervisory Skills Development Course among others. This has enhanced my management skills, interpersonal relations and communication skills.

I look forward to further discussions with you on this position.

Yours faithfully,

Patrick Macharia
