Dear Sir

RE: SENIOR SUPPLY CHAIN MANAGEMENT OFFICER. (KSG 7)

I wish to tender my application for the position of Senior Supply Chain Management Officer.

I have the necessary academic and professional qualification required for the job as well as the passion required to perform the job. Academically I hold a Master of Science in Procurement and Logistics from Jomo Kenyatta University of Agriculture and Technology and a Bachelor of Commerce degree (Supply Chain Management Option) from the University of Nairobi (upper second honors).

Professionally I hold a level IV diploma from Chattered institute of procurement and supply (CIPS) which I also got in 2015(United Kingdom). I have also successfully undertaken Internal Quality Audit Course, Senior Management Course, Supervisory Skills Development Course, Integrity Assurance Officer training and Enterprise Resource Planning (ERP) training on the procurement module at Kenya School of Government.

Currently I am working as Supply Chain Management Officer (KSG8) at Kenya School of Government (Baringo Campus), I have successfully undertaken internship in two blue chips organization- Agricultural Finance Corporation (AFC) & Kenya deposit insurance Corporation (KDIC) under Central Bank of Kenya.

I have also done attachment and pupilage at Ewaso Ngiro North Development Authority (ENNDA) government parastatal based in Isiolo County as well as the Horn of Africa Development initiative (HODI) a non-governmental organization based in Marsabit County in Northern Kenya.

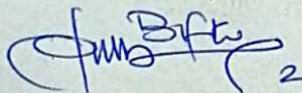

During this attachment and pupilage I developed a strong desire and passion for the job and would like to progress further in life.

I have a particular proficiency in the following areas of procurement;

- Receiving and recording incoming mails and claims plus forwarding them to the section heads for further actions.
- Maintaining and updating records of suppliers, bin cards and ledger cards.
- Receiving and issuing of store items to various units against approved requisition.
- Check inventory/store records to determine the sufficient level of supplies ie Re-order level.
- Processing suppliers invoice and claims.
- Preparation of request for Quotation (RFQs).
- Assisting in preparation of tender and proposal documents.
- Preparation of Local Purchase orders –LPO.
- Capturing data i.e. Invoices and issue of stationery in Financial Management system (FMS), pastel and Enterprise resource planning ERP.
- Capturing data i.e inventory journals, LPO/LSO and generation of Goods Received Note (GRN).
- Bid and Quotation analysis.
- Contract management.
- Preparation of asset register.

I look forward for your sincere consideration.

Yours Sincerely,

Sora Galgalo Dido
