Dear Prof. Nura,

RE: APPLICATION FOR THE POSITION OF SENIOR RESEARCH FELLOW.

I write to express my interest in applying for the position of Senior Research Fellow that has been advertised by the Kenya School of Government (KSG) in the website: <https://www.careeradvancement.ksg.ac.ke/>. I'm currently undertaking a PhD in Economics at the University of Nairobi. I have a master's Degree in Economics and a bachelor of Economics & Statistics, all from the University of Nairobi. Besides my education, I have over 10 years of experience in economic research and data analysis in development Economics issues and macroeconomic analysis. I also have over six (6) years of experience in training, coordination of course programmes, and conducting consultancies that shape the public sector.

During my role as a research Fellow I, Prepared high-quality teaching and learning materials including curriculum and teaching modules developed and published Journal articles and Policy brief developed a policy brief template for the School trained over 90 SMC and over 50 SSDC programme, effectively supervised over 98 SMC research groups producing quality research projects, coordinated over 10 SMCs and 12 SSDC and other programmes within the School and participated in and produced quality consultancy services for over 5 government organizations and the private sector on behalf of the School.

Drawing from the above, I believe I have developed the skills required to continue serving the public sector and help the School to realize its stated mandate. Attached is my CV, certificates and transcripts. Thank you for taking time to review my application. I hope for your consideration.

Yours Sincerely,

B.O
