Address: 23030-00604

Profile

I seek a position in The Kenya School of Government's hospitality department to contribute to its growth and success. I possess a comprehensive understanding of hospitality operations, customer service, event management, and protocol etiquette. I am Skilled in advanced supervisory and leadership abilities to effectively manage teams and ensure exceptional service delivery. I possess impeccable experience in event planning, logistics coordination, and administrative support, aiming to contribute to the successful execution of high-profile events and conferences. I endeavor continuous enhancement of customer care and public relations to establish positive relationships with clients and stakeholders. I am committed to fostering a culture of excellence, implementing quality assurance measures, and exceeding expectations for an outstanding guest experience.
