2nd April, 2025

THE DIRECTOR GENERAL
KENYA SCHOOL OF GOVERNMENT
P.O. BOX 23030-00604
LOWER KABETE ROAD
LOWER KABETE
NAIROBI.

Dear Sir,

RE: APPLICATION FOR THE POSITION OF COOK I (KSG 10) SCKI/48/2024-25

I am writing to apply for the advertised position of Cook I (KSG 10) Vacancy No. SCKI/48/2024-25 at the Kenya School of Government following the internal advertisement dated 26th March 2025.

I am currently working at the Kenya School of Government (KSG), Matuga Campus as a Cook II (KSG 11). Some of the duties and responsibilities I am handling in the position include:

- a) Carrying out food preparations.
- b) Cooking food as per the menu.
- c) Presenting food as required.
- d) Replenishing buffet tables.
- e) Cleaning and maintaining hygiene standards of the kitchen.
- f) Detecting defective equipment and reporting the same to the supervisor.

My creativity has enabled me to be actively involved in the innovation of the Salad Section at the KSG Nairobi Kitchen. With the support of my supervisors, I highly contributed to the introduction of a variety of salad recipes that earned me recognition and I was awarded a Certificate for Exemplary Performance in 2017.

Administratively, I have been appointed as a shift supervisor both in the kitchen and service area at the KSG Matuga Catering Unit where I am currently stationed. In 2019, I was part of the hospitality team that earned recognition from the Chief of Kenya Defense Forces for providing high standards of hospitality during their stay at the Matuga campus on 15th – 30th September, 2019 for SWIFT EAGLE EXERCISE.

I have successfully attended and completed the Supervisory Skills and Development Course, Public Relations and Customer Care Course. I believe I have acquired the necessary leadership, management and customer service skills required for the advertised position.

I am a very creative culinary artist who works very well in a team set up. I consult widely before making decisions and I follow instructions to the letter. I am always learning current trends in the food and hospitality industry as a whole. I am also a good mentor to my juniors and I lead by example.

I am confident that our organization will benefit from the skills, competencies and qualities that I have acquired over the years.

I look forward to a favorable response from you.

Yours sincerely,

Esther Mwaniki
