The Director General,
Kenya School of Government
P.O. Box 23030, 00604,
Nairobi, Kenya

02/04/2025

Dear Sir,

Ref: Application for the position of “Principal Research Fellow – KSG5 (PRF/06/2024-25)”

Following your advertisement, vide “<https://careeradvancement.ksg.ac.ke/>” for the above position, I am motivated to tender my application and credentials for your perusal. On education attainment, I am awaiting administrative permission from University of Nairobi to graduate with PhD in Population Studies by end of year, a holder of Master of Science in Social Statistics from University of Nairobi and Bachelor of Science in Mathematics (Applied Statistics) from Jomo Kenyatta University of Agriculture and Technology. I have attended on-job training including Strategic Leadership Development Program, Senior Management Course, Management Challenge Course; Pedagogy for Senior Managers; Job evaluation in the Public Service; Grant proposal writing; Data analysis and management; Scientific writing and publication; Market research and Fire marshal training from various recognized public and private institutions.

Currently, I am working with Kenya School of Government as Senior Research Fellow (KSG6) and previously as: Principal research officer in USIU-A; Data Analyst with ICRHK: Research Officer with APHRC, Statistician with AKUHN and Data Analyst with IPSOS. Some of the recent research work I have been involved in are developing; Developing a policy brief on youth inclusion in the Public service, Corruption Risk Assessment for KIPPRA, Consolidating gains and Strengthening Devolution in Kenya (GoK-UNDP); Research Framework for UFAA, and ADA, Employee wellness and External Customer satisfaction for KSG. I have been involved in various consultancies including Culture Audit for UFAA and reviewing Human Resource Manual for NCIC and strategic plan for TBK and NaMATA. Further, I am a published author in peer-reviewed journal which is accessible <https://scholar.google.com/citations?user=jccy-CIAAAAJ&hl=en>.

I am well versed with developing survey tools, data management and analysis using statistical software (SPSS, STATA and R), writing research proposals, reports, policy briefs and articles for journal publication. I have accrued interpersonal relations, working under pressure to meet tight deadlines, working with less or no supervision, detail oriented and a team player. Therefore, any regard towards my request will be highly appreciated and I will oblige to chip in the much I know so as to be in tandem with KSG’s mission and vision.

Yours truly,

Gerald Mbuthia Mahuro.
