| KENYA SCHOOL OF GOVERNMENT | SENIOR MAINTENANCE OFFICER | Kenya   | 04 Mar 2016 | 24 Oct 2024 | MATUGA   | lead a group of surveyors from the Ministry of Land and National Lands Commission team in identification of the Campus boundaries during reconnaissance survey which culminated with real survey work and eventual report presented to the top Campus management. We as a team from maintenance managed to fix the dilapidated ceilings in Mwalughaje Hostel which has become admirable by our clients and are continuously face lifting the appearance of other infrastructure within the Campus with available minimum resources. Lead a team in raising and producing broiler chickens which was ideal in cost cutting. | (i) Supervising and coordination of works in Maintenance and Environment sections. (ii) Preparing reports and reporting any malfunction in machines and equipment. (iii) Coordinate maintenance of plant and equipment in the Campus in consultation with Procurement Department. (iv) Provision of a safe and secure environment to clients by ensuring that machines and equipment are operated by qualified personnel. (v) Responding to clients complaints to meet or exceed their expectations. (vi) Improving on the existing aesthetic value of the Campus by continuously face-lifting of the landscape through establishment of new plants and formative maintenance of those in existence. (vii) Prepare budgets requests for routine maintenance and repairs in liaison with line manager. (viii) Manage day-to-day casual staffing requirements, plan and assign work and establish performance and development goals for team members. Preparing monthly work schedule and forwarding to accounts for salary processing. (ix) Maintaining of daily attendance records and prepare annual work plan for the section. (x) Carry out routine inspection on plant and equipment and recommend repair and servicing as appropriate. |
| OFFICE OF THE PRESIDENT    | SUPERINTENDENT OF GARDENS  | Kenya   | 30 Mar 1998 | 06 Jul 2009 | MOMBASA  | Successfully manage to plant 100 new coconut tree seedlings for succession to replace the old trees within the confinement of the State House compound. Lead a group of 8 staffs working in gardens department to be voted among the best in an internal rating in the year 2007.                                                                                                                                                                                                                                                                                                                                          | 1.Coordinating of all gardens department works and allocation of duties to staffs assigned to different areas within the State House vast compound. 2. Management of field events during ceremonial visits by the head of state and his guests. 3. Ensure safe operation of all the department tools and machinery by maintaining operational repair schedules where necessary, 4.Maintaining updated store inventory and control of flow of tools and equipment from the department store. 5.Making request for replacement of worn out and obsolete machinery and garden tools. 6.Maintaining ideal landscape to the required standards for normal operation by the head of state.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
