THE HUMAN RESUORCE MANAGER,

KENYA SCHOOL OF GOVERNMENT.

RE: REQUEST FOR POST OF A SENIOR WAITER .

It has been a great pleasure working for and contributing to this esteemed organization for the last 36 years. It has been a really enriching experience to work in the two sections of Hospitality, namely, Housekeeping for 14 years and Food service in both the dining and VIP areas also for 14 years. It has been a fruitful journey throughout and I have learned immensely from each of my assignments. In my years in Housekeeping and food service as a waiter, I have been a Team Leader. I have essentially been carrying out the role as a Head Waiter without the associated perks.

Currently, I am working in the Administration Department, Security section, also in the same capacity as a Team Leader. I have a team of 13 employees under my direct supervision. I keep conducting meetings with them and guiding them on a daily basis. I have many other responsibilities as a team leader.

With all the knowledge and experience and know how things work here at K.S.G., I request you to kindly raise my income and promote me to the position of Senior Waiter. I assure you that I completely understand the responsibilities with this post and I am confident you will agree that my effort as a Senior Waiter will contribute to the growth of this School.

In closing, I have received two recognition certificate of 2013 and 2017 for exemplary service as the best employee of the year as a waiter and in Security. I would like you to know that I have truly enjoyed my time on the job and hope that you understand and appreciate the basis of my request.

Looking forward to a positive response.

Thank you in anticipation.

Yours faithfully,

George Osimbo
