Dear Sir/Madam,

Re: Application for the Position of Principal Lecturer (Grade - KSG 5)

I am writing to express my interest in the position of Principal Lecturer, (KSG 5), as advertised. I am currently serving as a Senior Lecturer in eLearning at the Kenya School of Government, and I bring with me over 17 years of progressive experience in the design, development, and delivery of capacity-building programs in both public service and humanitarian settings.

My expertise in instructional design, curriculum development, and digital learning strategies has been instrumental in transforming learning experiences at KSG. I have successfully led multiple projects, including the digitization of all eLearning programs across KSG campuses during and after the COVID-19 pandemic, the development of digital courses for Probation and Aftercare Service officers in collaboration with UNODC, and the establishment of the Regional Centre of Competence for Digital and AI Skilling in the Public Service. These roles have refined my leadership, strategic planning, and partnership engagement skills.

I hold a Master's Degree in Business Administration (MIS) from Kenyatta University, a Post Baccalaureate Certificate in Instructional Design and Technology from Walden University, and a Higher Diploma in Human Resource Management. I am proficient in multimedia authoring tools, learning management systems, and modern educational technologies.

My career has been defined by a deep commitment to adult learning and human capacity development. I am passionate about leveraging technology to create inclusive, flexible, and impactful learning experiences. I am confident that the competencies I have built over the years — in training, consultancy, research, and eLearning innovation — position me well to contribute at a higher level of leadership as a Principal Lecturer.

I am excited about the opportunity to contribute more broadly to the School's mission and provide thought leadership in the evolving learning and development space. Thank you for considering my application.

Yours sincerely,

Nathan Karanja Kiiru
