Work Experience

Employer	Job Title	Country	Start Date	End Date	Location	Job Description	Duties and Responsibilities
Kenya School of Government	Senior Lecturer - eLearning	Kenya	01 Jul 2019	10 Apr 2025	eLDi	1. Expansion of eLearning Across Campuses a. Spearheaded the implementation of eLearning programs across all Kenya School of Government (KSG) campuses during and after COVID-19. b. Led the digitization of all eLearning programs across KSG campuses, ensuring accessibility and continuity of training. c. Leads a team responsible for participant support, enhancing learner engagement and experience. 2. Digitization of the Data Protection Program a. Secured a grant from GIZ to develop and implement a digitized Data Protection Program. Led grant proposal writing, negotiations, and the technical implementation of the project. 3. Development and Implementation of Public Sector Training Programs a. Induction Course for Probation and Aftercare Service (PACS): Led the digitalization of the PACS induction course, including LMS development and hosting. Trained PACS officers on course development and implementation. Supported the training of 300 newly recruited probation officers. The project was funded by the United Nations Office on Drugs and Crime (UNODC). b. Records and Archival Management Course for Somalia: a. Developed and implemented a specialized course for records officers in the Federal Government of Somalia and the Puntland State of Somalia. Project supported by the World Bank. 4. Capacity Building for Finance and Accounting Professionals a. Contributed to the design and development of a capacity-building program for accountants and finance officers handling Government and World Bank-funded projects in Africa. Coordinated the program, which has trained over 2,000 participants across 34 African countries over the last five years. 5. Establishment of the Regional Center of Competence for Digital and AI Skilling a. Played a key role in setting up the Regional Center of Competence for Digital and AI Skilling, launched in December last year. The center aims to train over 300,000 public officers in emerging technologies over the next three years. As the Lead Instructional Designer, I am currently engaging partners in needs identification and program design. 6. IFMIS Training for Public Officers a. Coordinated Integrated Financial Management Information System (IFMIS) training programs, training over 5,000 public officers in the last three years. 7. Ongoing Digital Skilling Initiatives a. Collaborating with the Estonian Centre for International Development (ESTDEV), UNICEF, UNDP, the Ministry of ICT and Digital Economy (MICDE), and the ICT Authority (ICTA) to digitize various digital skilling programs for the public service.	As a Senior Lecturer in eLearning, I design, develop, and deliver capacity-building programs to support the School's mandate in training, research, consultancy, and advisory services. My role involves spearheading innovative learning solutions, conducting research in areas of national interest, and preparing advisory and policy briefs to enhance public service delivery. Key Responsibilities: 1. Training Needs Analysis – Assess organizational competency and skills gaps to inform curriculum design. 2. Curriculum & Course Development – Collaborate with subject matter experts to design and develop eLearning curricula and training programs. 3. Instructional Design – Develop eLearning course concepts, including content sequencing, assessments, testing, grading, and format selection. 4. Digital Learning Solutions – Transform courses into interactive digital formats using graphic media, videos, audio, and animations. 5. Technology Integration – Implement and deliver course content using appropriate digital platforms and methodologies. 6. eLearning Systems & Tools – Recommend and evaluate software and technologies for effective eLearning development and delivery. 7. Examinations & Assessments – Set, moderate, and administer examinations to ensure academic rigor. 8. Quality Assurance & Monitoring – Evaluate course effectiveness and facilitator performance to enhance program delivery. 9. Research & Data Analysis – Develop research proposals and tools for data collection, analysis, and reporting. 10. Consultancy & Advisory Services – Prepare consultancy bids and provide expert advisory services to address public sector needs. 11. Partnerships & Collaborations – Foster collaborations to strengthen research, consultancy, and advisory initiatives.
Kenya School of Government	Program Officer	Kenya	02 May 2011	30 Jun 2019	eLDi	1. Successful Coordination and Delivery of Training Programs 2. Development and Implementation of eLearning Programs 3. Innovative Course Digitization 4. Enhanced Digital Learning Management 5. Training Needs Assessment & Curriculum Enhancement 6. Improved Customer Experience in Training Programs 7. Technical Support for Digital Learning 8. Efficient Administrative Support for Learners 9. Active Contribution to Research & Knowledge Sharing 10. Consultancy and Business Development Support 11. Monitoring & Evaluation for Training Impact	1. Training Coordination & Delivery: Participated in the coordination and facilitation of training programs, ensuring seamless delivery. 2. eLearning Development & Management: Designed and coordinated the implementation of eLearning programs, including video conference-based training. 3. Course Concept Development: Developed course concepts for digitization, ensuring structured and effective learning design. 4. Digital Learning Integration: Contributed to the digitization and management of eLearning courses, enhancing accessibility and engagement. 5. Curriculum Development & Review: Assisted in training needs assessments, curriculum development, and periodic course reviews. 6. Customer-Centric Program Implementation: Ensured training programs and services were responsive to client needs and expectations. 7. Technical Support for eLearning & Video Conferencing: Provided support to facilitators and participants in utilizing eLearning and video conferencing infrastructure. 8. Administrative Support for Participants: Managed participant engagement before enrollment, during training, and post-training. 9. Research & Knowledge Sharing: Contributed to research initiatives at KSG and participated in the coordination of symposiums and the Knowledge Management Conference. 10. Consultancy & Proposal Development: Assisted in the preparation of consultancy bids to secure training and capacity-building projects. 11. Monitoring, Evaluation & Reporting: Conducted monitoring, evaluation, and reporting of training programs at KSG-eLDi to improve effectiveness and impact.
Windle Trust Kenya	Deputy Program Coordinator	Kenya	01 Jul 2009	31 Dec 2010	Kakuma Refugee Camp	1. Successfully deputized the Program Coordinator, ensuring smooth implementation of the English Language Program, scholarships, and girl child education initiatives at Kakuma Refugee Camp. 2. Played a critical role in recruiting and onboarding staff, ensuring a well-equipped team to deliver education programs in Kakuma. 3. Represented Windle Trust Kenya in interagency and government coordination meetings, influencing education policy and fostering collaborations with key stakeholders. 4. Led the introduction of eLearning in Kakuma Refugee Camp, advocating for digital learning solutions and training interagency staff. 5. Successfully secured funding for two eLearning programs, expanding access to education for refugees and the local community. 6.
