Dear Sir,

RE: CLERICAL OFFICER I ADVERT NO CLO I /29/2024-25

Following the advertisement from the School career platform for various positions, I am applying for post mentioned above with a view of getting a positive feedback.

I have worked for Matuga Campus as a Telephone Operator which was changed to Customer Relation Officer and have now transitioned to my current position of Senior Office Assistant working in the registry.

I have already adapted to the new office and therefore feel that I can be able to tackle workload in the office under the title of a clerical officer I. I am obliged to be considered for the post above.

Thanks in advance.

Yours Sincerely

Mariam Mohamed Abubakar
