Dear Sir,

REF: JOB APPLICATION CHEF I CHEFI/49/2024-2025

I am writing to express my interest in the chef I position that has recently been advertised. Having dedicated sixteen years to this organization, I am excited about the opportunity to take on a new and more impactful role to further developing my leadership skills.

Over the years, I have had the privilege of growing alongside this organization, starting as a cateress and progressively taking on more responsibilities as an Ag. Head of catering and housekeeping and as a Hospitality officer. My experience has spanned across various aspects of hospitality management, including guest relations, staff training, event coordination, and operational improvements. This journey has allowed me to develop a deep understanding of our company culture, values, and the expectations of our clients. In my current role as hospitality officer, I have consistently delivered results that align with our organization's goals

I am particularly drawn to the chef I role as it represents a natural progression in my career, which allows me to leverage my extensive knowledge while stepping into a leadership role where I can contribute significantly. My passion for hospitality, combined with my commitment to delivering exceptional guest experiences and improving operational efficiency, makes me confident in my ability to excel in this role.

I would welcome the opportunity to discuss my qualifications further. Thank you for considering my application. I look forward to the possibility of contributing in a more senior role.

Sincerely,
Lynette Ouma
