The Director General
Kenya School of Government
P.O. Box 23030–00604
Nairobi, Kenya

Dear Sir,

**RE: APPLICATION FOR THE POSITION OF PRINCIPAL LECTURER –
REF NO. PL/04/2024-25**

I am writing to formally express my interest in the position of Principal Lecturer, as advertised internally under the above reference number. I am currently serving as a Senior Lecturer at the Kenya School of Government, Mombasa Campus—a position I have held for the past six (6) years—with a commendable track record of performance and contribution to the School's academic and institutional advancement.

I hold both a Bachelor's and Master's Degree in Economics, and I have successfully completed Ph.D. coursework in Economics, currently awaiting thesis defense and publication. This academic journey has greatly enhanced my research, analytical, and pedagogical capabilities.

Throughout my tenure at the School, I have been actively involved in delivering its core mandates, including training, research, and consultancy assignments. These engagements have enabled me to contribute meaningfully to knowledge generation, policy advisory, and capacity development within the public sector.

In addition, I have completed a leadership and management course lasting over six (6) weeks, among other professional development programs. These have equipped me with the requisite competencies in academic leadership, mentorship, and institutional governance.

I have a deep appreciation and understanding of the Kenya School of Government's mission, values, and strategic objectives. I am confident that my experience, dedication to excellence, and alignment with the School's vision place me in a strong position to serve effectively as Principal Lecturer. I am also fully compliant with the provisions of Chapter Six of the Constitution of Kenya and possess excellent interpersonal, communication, and team leadership skills.

I am enthusiastic about the opportunity to serve the School at a higher level and to continue contributing to its growth, particularly in advancing public service training, research, and policy development.

Thank you for considering my application.

Yours faithfully,

FridahNalianya
