EXPERIENCE

Kenya School of Government, Lower Kabete	Nairobi, Kenya
Principal Supply Chain Management Officer	January 2019 - Present

As the Principal Supply Chain Officer, I lead the supply chain management function at the Campus level ensuring that the Campus has the necessary inputs for operation at the right time and value while ensuring compliance to the Public Procurement and Asset Disposal Act, 2015. More specifically my role entails;

- ✓ Implementing approved SCM policies procedures, strategies and programs in line with the PPADA 2015 and PPDR 2020 at the Campus.
- ✓ Providing professional opinion and advisory services on supply chain management to the Campus Management.
- ✓ Overseeing the strict adherence to the PPADA 2015, PPDR 2020 and KSG policies and procedure manual at the Campus.
- ✓ Consolidation and implementation of the Campus procurement and disposal plan in line with the School's procurement plan and budget.
- ✓ Advising the Campus management on aggregation of procurement to promote economies of scale.
- ✓ Issuing procurement and asset disposal documents to candidates in accordance with PPADA 2015 and PPDR 2020
- ✓ Coordinating the receiving and opening of tenders.
- ✓ Acting as a secretariat to the evaluation, inspection and acceptance, and disposal committees.
- ✓ Availing all the relevant documents to the evaluation committee and providing necessary logistical support
- ✓ Coordinating the evaluation of tenders, quotations and proposals;
- ✓ Facilitating timely provision of goods and services to user departments in the Campus through overseeing purchasing, tender/planning, stores and stock control to ensure timely and complete provision of required resources.

- ✓ Managing stock control at the Campus by ensuring safe custody of the inventory, establishing proper stock levels and reorder levels to ensure replenishment is done in good time with minimum lead time to avoid stock outs.
- ✓ Maintaining and archive procurement and asset disposal documents and records at the Campus for the required period.
- ✓ Undertaking periodic supplier evaluation and appraisal and submit report to Supply Chain Manager.
- ✓ Maintaining and continually update standing lists of registered suppliers for the Campus and submit to the Supply Chain Manager for approval by the Accounting Officer.
- ✓ Supervising junior staff by conducting regular quality checks and impromptu visits to ensure that work allocated is not only conducted but conducted as per the set standards and within the allocated time frame.
- ✓ Promoting and ensuring compliance with required ethical standards in relation to procurement of goods, services and works.

Kenya School of Government, Lower Kabete
Senior Supply Chain Management Officer

Nairobi, Kenya
September 2016 – December 2018

As the Senior Supply Chain Officer, I managed operational activities of supply chain management in procurement planning, disposal of stores and equipment, market surveys and inventory management in order to achieve organizational objectives. Key responsibilities and achievements;

- ✓ Facilitated competition and fairness in the issuing of requests for quotations through the rotation of suppliers and upholding of integrity standards.
- ✓ Acted as a secretariat to the evaluation, inspection and acceptance, and disposal committees.
- ✓ Expedited the processing and approval of LPOs to shorten lead times between approval of requisitions and approval of LPOs.
- ✓ Liaised with suppliers upon issuance of approved LPOs to ensure delivery of goods within the shortest time possible.
- ✓ Monitored performance of suppliers and reported any deviations on agreed delivery timelines/ quality and quantity to the Principal Procurement Officer.
- ✓ Maintained a database of good and reliable suppliers for different categories of supplies, service and goods.
- ✓ Mentored interns in the department by sensitizing and guiding them on work expectations within the department.

As the Supply Chain Management Officer, I was responsible for sourcing of suppliers through request of quotations, conducting market research and surveys, processing of purchase orders to ensure smooth running of activities in accordance with set targets and departmental goals. Key responsibilities and achievements;

- ✓ Prepared local purchase orders to ensure timely delivery of goods and services to satisfy both internal customers and external customers.
- ✓ Undertook inventory and stock taking exercise on quarterly basis to verify the actual balance in journal ledger and ensure proper stock control.
- ✓ Updated relevant staff about the status of their procurement request and delivery.
- ✓ Processed invoices to ensure prompt payment of suppliers.
- ✓ Initiated stock replenishment requisitions based on set re-order level upon prompting by supply chain management officer II.
- ✓ Participated in quotation opening and evaluation.
- ✓ Carried out market surveys to inform the placing of orders or adjudication of award of evaluated quotations.
- ✓ Generated all required procurement documentation and maintain records and files in an impeccable manner.
- ✓ Acted as a secretariat to the evaluation, inspection and acceptance, and disposal committees.
