Experience

Presently, I am faculty with the Kenya School of Government (KSG) of Kenya as a lead expert (ESIA),. I have also been undertaking various consultancies on SIA & RAP Projects. From Jan. 2019, after completing my PhD studies, I have consistently consulted widely for various organizations and private investors alike. All these experiences and consultancies have given me a range of opportunities in ESIA, RAP Management and Personal Development.

Details of experience are shown:

July 2012- To Present	Lead Expert ESIA, Faculty and Consultant at the Kenya School of Government. My duties involve training and Consultancy for integrated Development Policies, ESIA/RAP, Resettlement Management and Climate Change. I also head the Centre for Research
Jan. 2021 - Dec. 2021	- Lead Consultant - Environmental and Social Audit for the Desert Locust Eradication for FAO – KENYA. - Lead Consultant - Homa-Bay County Government on ESIA and Digital M & E for County Projects - Lead Consultant - Machakos County Government on the Social Risk Policy to assist Project implementation at Machakos County.
Jan. 2019- to date	Consultant - Consulting for the proposed Centre for Land Acquisition and Resettlement (World Bank, UoN and KSG).
Jan. 2015 to Date	Consulting for ESIA and Environmental and Social Audit for various clients project such as commercial houses as licensed by NEMA reg. No. 8555
Sep. 2007 – June 2012	Administrative Officer, Government of Kenya. Responsibilities included administration and management of Government services in Rural Communities of Kenya.
