OVERVIEW

I am a Practicing member of the Institute of Human Resource Management (IHRM) and full member of Institute of Certified Secretaries (ICS) with over 25 years of continued career progression, accompanied by key accomplishments in Human Resource Management, Performance Management and General Administration. I have made exemplary contributions to mainstreaming HR best practices across public service by championing various HRM reforms.

I have undertaken a number of leadership development programs such as Strategic Leadership Development Program, Quality Management System Lead Audit, Post Graduate Diploma in Leadership in ICT and Knowledge Societies and Commonwealth Regional Performance Management Systems.

My current assignment is Senior Principal Lecturer responsible for designing and delivering training and capacity building programs for both National and County Governments. Conducting research and publishing on selected areas of practice. Developing in collaboration with clients practical solutions to organizational problems.

SELECTED EXPERIENCE:

1. Design and delivery of Job evaluation training program for Kenya's Public Service
2. Design and delivery of Collective Bargaining Negotiation training for Kenya's public service
3. Design and delivery of productivity measurement and improvement training program for public service
4. Design and delivery of Access to Information training program for Kenya's public service
5. Design and delivery of public service ethics and integrity training for Kenya's public service
6. Member of committee of independent experts for County Government of Makueni performance management process for three years.
7. Member planning committee of the national Transparency, Accountability and Ethics Webinar 2021 in collaboration with UNODC and KISM
8. Member planning committee of the 2019 annual symposium of public sector heads of human resource to be held at KSG Matuga
9. Team Leader research project titled "consideration for alternative approach for affordable housing in rural Kenya: The case study of Nakuru County"
10. Member of the strategic plan 2018/2022 development team for the National Police Service
11. Delivered induction training for several County Executive and Public Service Boards

12. Delivered several capacity building programmes across counties including performance contracting sensitization under KDSP programme
13. Participated in the recruitment of audit committee for a number of counties
14. Participated in the recruitment of chief officers, directors and public service boards recruitment for a number of counties
15. Ensuring high quality standards of service delivery through quality management systems ISO 9001:2015 framework.
16. Ensuring risk and compliance is embedded in operational procedures and maintain good stakeholder relations leading to compliance with legal and regulatory requirements.
