Dear Sir,

RE: REQUEST FOR PROMOTION THROUGH RE-DESIGNATION

I am an employee in the school working in Baringo campus as an ICT Officer KSG 8. Other than the tasks I undertake as spelled in my Job description, I am also engaged in the training department to facilitate in various units; a task I am passionate of. I am therefore requesting for promotion through re-designation from ICT Officer KSG 8 to Lecturer I KSG 7 as advertised.

I am currently pursuing Masters Degree in Project Management and Planning with Mount Kenya University. I hold a Bachelors degree in Information Technology second class upper division from Kenyatta University. KCSE aggregate of C+ besides a TOT certificate in Pedagogy for senior programs, TOT for entrepreneurship and a four-week Senior Management Course from the Kenya School of Government plus certifications in Cisco (CCNA v7 series), Cyberoam certifications (CCNSE and CCNSP) and am also a member of Computer Society of Kenya (CSK) in good standing.

I am resourceful in the training department with a training experience of over 19 years since 2005. I am competent in the areas of ICT, e-government, ethics and integrity, records management, workplace safety and Project management among other areas. I am also resourceful in research work and consultancy having successfully participated in two consultancy assignments; one was in Elgeiyo Marakwet County where I participated as a secretariat in an interview exercise for County Executive Committee members in 2022 and the other one in Kakamega County where we sensitized locals on public participation in 2017.

Attached herewith, please find my curriculum vitae, copies of my academic certificates, and other testimonials.

The promotion through re-designation applied for would allow me grow my career path and expand my potential in training, research and consultancy assignments.

I am therefore humbly looking forward to your consideration.

Yours Faithfully,

PHILIP KOMEN
