Dear Sir

RE: APPLICATION FOR THE POST OF SENIOR HOSPITALITY OFFICER -REF: SHO/43/2024-2025

With the utmost enthusiasm, I would like to express my interest in the above post as advertised on the schools staff portal. I have worked with the school at the hospitality department for the last 18 years, I m a team player with very proactive approach to achieving results, combining organizational skills with hands on technical knowledge, and a good memory for details, strong work ethics and ability to work under minimal supervision. I possess strong commitment to meeting customer's needs.

As a candidate here is what I will bring to the table;

My long service experience in the hospitality industry; Skills learnt in Human resource enriches my experience and will be used to advice the management on the best practices to meet the needs of internal and external clients. My major goal is to ensure repeat satisfied customers and in turn ensure profitability of my organization.

Creativity and imagination; if given a chance I would use my experience in the hospitality industry to ensure that the Kenya school of government hospitality services attains and maintains a world class standard through imagination and creativity.

Effective and efficient Trouble shooting skills; with use of quality management systems I can ensure the organizations blind spots for failures in the hospitality department are known and averted or rectified through evaluation of the current organizations resource and other available tools. This would ensure minimal wastage and proper utilization of the budget and resources allocated.

I look forward to contributing my skills and experiences at the Kenya school of government hospitality establishments and hope to have an opportunity to speak with you further on how I can be an asset to the hospitality team on a different capacity.

Yours faithfully,

Gichunge Gedion Irura
