WORK AND PROFESSIONAL EXPERIENCE

October 2018 to Date

**Senior Internal Auditor
Kenya School of Government**

Key Duties and Responsibilities

Having an approximate experience of over six years (6) as a Senior Auditor at Kenya School of Government, my key responsibilities include giving an independent assurance to the Management of the Kenya School of Government that the risk management process, governance and internal control process are operating effectively through the performance of the following essential duties;

1. Undertake internal audits for the five (5) Campuses of Kenya School of Government as approved in annual plans.
2. Review Kenya School of Government systems of internal controls in compliance with relevant legislation, policies and regulations and report on the progress and results of review through detailed audit reports.
3. Review and evaluate budgetary performance, financial management, value for money and transparency and accountability mechanisms of Kenya School of Government.
4. Review the effectiveness of the school's financial and non-financial performance management systems.
5. Carry out procurement audits, compliance audits and governance audits for assurance.
6. Carrying out physical verification of all assets to ensure they are adequately safeguarded.
7. Evaluate the adequacy and reliability of quarterly management accounts and reconciliations.
8. Review audit findings and audit working papers.
9. Consolidate final draft audit reports for submission to the Chief Manager, Internal Audit.
10. Make a follow-up on the progress of implementing recommendations made by the internal audit department.
11. Carry out investigations on irregularities for proper action and future preventive measures.
12. Assist in the implementation and execution of Internal Audit strategies and risk-based annual audit plans.
13. Participate in the preparation of the department's yearly budget as well as monitoring expenditures.
14. Mentored and trained junior team members on audit techniques and procedures.

August 2014 to Sept 2018

**Internal Audit Officer
Kenya School of Government**

The primary role involved executing audit assignments by bringing a systematic approach of examining and evaluating the adequacy, effectiveness and efficiency of Kenya School of Government's risk management processes, internal control systems and recommending corrective actions to improve efficiency and reduce operational costs where necessary.

Key Duties and Responsibilities

1. Undertaking audit assignments in line with the approved audit work plan to confirm the adequacy and effectiveness of governance, risk management and control of Kenya School of Government.
2. Performing substantive and compliance testing of accounting records and documents and preparing working papers
3. Providing input in the preparation of audit reports for audit engagements executed in all KSG campuses.
4. Assist in developing audit programs for financial, operational and compliance audits and executes testing accordingly.
5. Perform audit checks in the ERP accounting system to identify any accounting errors.
6. Evaluate the adequacy and reliability of financial statements, examining vouchers, cashbooks, ledgers, and payroll management to confirm the completeness and accuracy of the transactions.
7. Verify the existences of assets to ensure there are adequately safeguarded.
8. Make a follow-up on the progress of implementing recommendations made by the internal audit department.

June 2014- August 2014

**Internal Audit Assistant
Kenversity Sacco society**

Key duties and responsibilities

1. Carrying out audit assignments by collecting all relevant data, analyzing and documenting in the working papers.
2. Evaluation of the SACCO financial records to confirm compliance with the relevant professional and statutory requirements.
3. Examine and review SACCO's internal control systems and assess the system's adequacy.
4. Preparing detailed audit reports.
5. Audit the SACCO financial records, including customers' ledger accounts, for accuracy and completeness.
6. Assist in confirmation of the SACCO tax and statutory compliance.
7. Make a follow-up on the progress of implementing recommendations made by the internal audit department.

February 2012 - May 2014

**Internal Auditor
Fariji Sacco Society Ltd.**

Key duties and responsibilities

1. Prepare and implement a comprehensive annual work plan.
2. Check that all activities done by the Sacco conform to the existing laws and Regulations.
3. Review the adequacy, design and effectiveness of the Internal Control Systems.
4. Ensure that loans, customers' deposits, and withdrawals are all documented and necessary steps are followed.
5. Verify procurement procedures, stores and stores' records.
6. Carry out quarterly and annual stocktaking.
7. Carrying out surprise cash counts.

8. Review of the completeness and accuracy of the Annual Financial Statements.
9. Participate in management meetings to discuss key audit issues and present audit reports on the findings of the audit exercise.
10. Secretary to the Supervisory Committee.
11. Monitor the Implementation of Audit Recommendations and prepare a status report every quarter.
12. Act as the liaison officer between Farigi Sacco's internal audit department and external auditors to ensure that any relevant information about the institution is provided.
13. Allocate duties to the subordinate and monitor their performance for appraisal purposes.
14. Coach, motivate and mentor staff in the department
