PROFESSIONAL EXPERIENCE AND KEY ACHIEVEMENTS

- 1) In consultancy, I have led and coordinated the development and executed of over thirty (30) strategic plans for clients across various sectors including energy, agriculture, water, SACCO, roads, housing, education, environment, science & technology, regulatory and oversight bodies among others. Working with leadership teams to align vision, mission, and values, setting clear priorities that not only increased operational success for client organizations but also positioned KSG as a trusted advisor in public sector reforms.
 - 2) Spearheaded monitoring and evaluation of consultancy assignments through undertaking mid-term review and end term evaluation of strategic plans to assess the extent of implementation of activities, document challenges, lessons learnt and identify sustainable strategies.
 - 3) Steered the development and/or review human resource instruments in over seven (7) institutions which provided guidance to the management of human resources for the respective organizations as well as generating revenue for the School
 - 4) Led organizational culture change initiatives, working with leadership teams to shape a vision for culture transformation and guide organizations through the practical steps of embedding new values, behaviours, and mind-sets.
 - 5) Carried out recruitment exercises cutting across various cadres and positions for a wide range of institutions in the Public Sector. This ensured acquisition of high-caliber talent to drive growth, and operational success.
 - 6) In research, I have partnered with clients to conduct and analyze various surveys ranging from Corruption Risk Assessment, Customer Satisfaction; Alcohol, Drugs and Substance Abuse; Gender Mainstreaming; Employee Satisfaction and Work Environment; Competence needs Assessment. This provided actionable insights that helped leadership teams refine policies and improve team dynamics. Further, I have also supervised multiple senior-level research projects.
 - 7) In training, I have developed and delivered high impact training targeting different levels in the public sector for improved performance and productivity.
