RE: APPLICATION FOR SENIOR ADMINISTRATION OFFICER POSITION, KSG 7 – SAO/37/2024-25

Dear Sir,

I am writing to express my keen interest in the position of **Senior Administration Officer (KSG Job Grade 7 – SAO/37/2024-25)** as advertised in the internal notice under reference number **KSG/HQS/ADM/3(34)**. As a **seasoned administrative professional with over seven years of progressive experience in high-level administration, strategic planning, and institutional performance management**, I bring a wealth of expertise in **policy implementation, operational efficiency, logistics coordination, and corporate governance**. My track record in spearheading institutional reforms and optimizing administrative functions makes me a strong candidate for this role.

Currently serving as an **Administration Officer** in the **Strategy, Planning, and Performance Management Unit**, I have played a key role in the development, review, and implementation of major institutional frameworks, including the School's **Strategic Plan, Annual Work Plans, Risk Management Policy, and Performance Contracts**. I have supervised the provision of essential procurement items and services—such as **office furniture, SMS Leopards Mobile services, and KEBS certification for QMS audits**—ensuring timely and efficient delivery. In addition, I have effectively planned and coordinated **transport logistics** for both staff and external clients, providing seamless operational support during off-site assignments.

My leadership has been instrumental in enhancing **compliance, operational efficiency, and cost optimization**, thereby ensuring that resources are effectively allocated to meet institutional goals. I have also supervised key administrative teams, **mentored junior staff**, and provided high-level **advisory services** on both **organizational risk management** and **performance improvement**.

My expertise extends to **developing high-impact performance contracting frameworks, and enhancing corporate risk management strategies**. I have played a pivotal role in streamlining performance evaluation processes, significantly reducing assessment time while improving institutional compliance with national governance standards.

Academically, I hold a **Bachelor's Degree in Economics and Statistics**, a **Diploma in Business Administration**, and have completed advanced professional short courses in **Senior Management, Supervisory Skills Development, Quality Management Systems, Information Security, and Advanced Excel for Data Modelling**. These have equipped me with the analytical acumen, leadership capability, and operational know-how required for high-level administrative roles. I am also a member of the **Kenya Association for Public Administration and Management (KAPAM)**, where I continue to engage in professional development and public sector governance discourse.

I am eager to bring my **strategic vision, operational expertise, and leadership acumen** to KSG and further its mission of advancing excellence in governance and public administration. I welcome the opportunity to discuss how my qualifications and experiences align with your needs. Kindly find my CV attached for your consideration.

Thank you for your time and consideration. I look forward to your positive response.

Yours sincerely,

Pauline Kemunto Bosire
