🎓 Member, Kenya Association for Public Administration & Management (KAPAM)

PROFESSIONAL PROFILE

Results-driven Administration and Performance Management Specialist with 7+ years of experience at the Kenya School of Government (KSG). Skilled in strategic planning, policy execution, compliance oversight, and operational efficiency. Proven track record in streamlining processes, leading cross-functional teams, and driving institutional performance improvement.

CORE COMPETENCIES

- Strategic Planning & Policy Implementation
 - Performance Monitoring & Evaluation
 - Risk Management & Regulatory Compliance
 - Data Analysis, Interpretation & Reporting
 - Stakeholder Engagement & Coordination
 - Quality Management Systems (ISO 9001:2015)
 - Continuous Process Improvement
-

PROFESSIONAL EXPERIENCE

Kenya School of Government (KSG)

Administration Officer – Strategy, Planning & Performance Management Unit (*Jan 2018 – Present*)

Strategic Administration & Compliance

- **Aligned Institutional Planning:** Developed and implemented annual work plans and performance contracts in line with national standards and strategic objectives.
- **Quality Assurance Leadership:** Led the implementation of the Quality Management System (ISO 9001:2015), achieving zero non-conformities during audits and ensuring full compliance.
- **Risk Management Enhancement:** Reviewed and operationalized the School's Risk Management Policy, resulting in a 30% reduction in compliance gaps.
- **Process Automation & Efficiency:** Streamlined performance contract evaluations by automating key processes, reducing evaluation time by 80% (from 1 day to 5 hours).

Operational Support & Cross-Functional Coordination

- Coordinated with procurement and logistics teams to ensure timely delivery of office equipment and furniture.
- Monitored service-level agreements (SLAs) to ensure consistent performance of maintenance and outsourced services.
- Supported asset inventory audits, verifying IT equipment and furniture records to ensure accuracy and compliance.

Data-Driven Decision Making

- Led quarterly institutional performance analytics by compiling and analyzing utilization reports across performance contracts, work plans, and capacity-building initiatives—tracking participant certification trends, adherence to presidential directives, and procurement equity metrics (including Buy Kenya, Build Kenya and AGPO under affirmative action)—to inform strategic, data-driven resource allocation.
- Pioneered an online system to track departmental service charters, adopted institution-wide.

Quality Management

- Spearheaded KSG's ISO 9001:2015 recertification (2021) and conducted internal audits at 3 campuses.

Programme Assistant (*Apr 2017 – Dec 2017*)

- Coordinated training logistics, including venue setup and participant materials.

Maasai Mara University

Research Assistant (Attachment) (*May 2016 – Aug 2016*)

- Collected and analyzed data for institutional research projects.

Ufanisi High School

Office Assistant (*Mar 2012 – Dec 2012*)

- Managed front-office operations, including document filing, customer service, and supply tracking – building foundational administrative skills.
- Assisted in inventory record-keeping for school equipment and stationery.
- Coordinated communication between staff, students, and parents.
