Director General
Kenya School of Government
P.O.Box 23030-00604
Nairobi, Kenya

Dear Director General,

Re: Application for Principal ICT Officer - PICTO/31/2024-25

I am excited to apply for the Principal ICT Officer position. With 11+ years of experience in designing and development of different platforms, managing ICT infrastructure, eLearning course design & development and implementing ICT policies, strategies, regulations and standards at the Kenya School of Government (KSG), I am confident in my ability to drive impactful results in this position.

In my current role at the Kenya School of Government's eLearning & Development Institute, I have been responsible for developing and maintaining an eLearning Management System, providing support in uploading course content, developing and maintaining knowledge hub and implementing security systems to secure the School's web applications. This experience has provided me with valuable insights into the specific technological needs of the School and honed my skills in implementing digital solutions, which is crucial for this position.

I am confident that my skills in implementing ICT business recovery strategies, eLearning trends, security systems, and keeping up with emerging technological trends will be invaluable in ensuring the security, efficiency, and innovation in this position.

Thank you for your time and consideration. I look forward to your response.

Yours sincerely,

Situma Kelvin Mwash
