Dear Sir,

RE: Application for the Position of Senior Administration Officer - SAO/38/2024-25

I am writing to express my interest in the position of **Senior Administration Officer** at the Kenya School of Government, as advertised. With over a decade of progressive experience in administration and program administration at KSG-eLDi, I am confident in my ability to contribute effectively to the continued success of the institution.

In my current role as an Administration Officer, I have been privileged to participate in initiatives that have strengthened the implementation of institutional policies, training program coordination, and improved overall operational efficiency. These experiences have honed my organisational and Management abilities, which I am eager to leverage in this senior capacity.

Academically, I hold a Master's degree in Monitoring and Evaluation, and I have successfully completed the Senior Management Course at KSG. These qualifications have equipped me with advanced analytical, planning, and management skills essential for this role.

I am enthusiastic about the opportunity to bring my dedication to excellence, proven administrative capabilities, and deep understanding of the School's operations to the Senior Administration Officer role. Please find attached my curriculum vitae for your consideration.

Thank you for taking the time to review my application.

Yours faithfully,

Anita Mokua
