The Director-General,
Kenya School of Government,
P.O. Box 23030-00604
Lower Kabete

Dear Sir,

Ref: Application for the Position of Chief Principal Lecturer II

I am pleased to submit my application for the position of Chief Principal Lecturer II at the Kenya School of Government. Having served in progressively senior roles at the School, I bring a wealth of experience, visionary leadership and a deep commitment to advancing public sector excellence through training, research and innovation. My diverse experience and proven record of accomplishment uniquely position me to contribute effectively at this higher level.

Currently, I serve as **Deputy Director, Learning and Development**, where I lead the development and implementation of training programs such as the Strategic Leadership Development Program, Senior Management Course, and Transformative Leadership and Corporate Governance initiatives. My role involves overseeing the design of strategic capacity-building programs that align with the changing needs of public sector leadership, ensuring quality and relevance in all deliverables.

Previously, in my role as **Deputy Director of Academic Affairs**, I spearheaded curriculum review processes and championed academic policies that enhanced the quality and impact of KSG's programs. I have also served as **Head of the Centre for Advanced Training, Research and Consultancy Services**, where I successfully led strategic consultancy projects, strengthened stakeholder engagement and developed innovative frameworks that informed governance reforms.

Moreover, as the **Champion of Science, Technology and Innovation** at KSG, I play a pivotal role in promoting the adoption of innovative learning methodologies and digital platforms. These contributions helped modernize training delivery and foster a culture of continuous improvement within the institution.

My academic credentials include a Doctor of Philosophy Degree in Human Resource Management, a Master's Degree in Business Administration specializing in HRM and a Bachelor's Degree in

Education. I also hold professional certifications, including a Diploma in Law, a Diploma in Human Resource Management, and I am a Certified Human Resource Management Professional. These qualifications have sharpened my expertise in strategic planning, policy formulation, research and governance.

As a Senior Principal Lecturer, I mentored and trained public sector leaders, shaping their capacity to drive transformative governance. This role allowed me to inspire others while setting high standards of professionalism and accountability.

In these roles, I have consistently demonstrated a strategic vision, operational expertise, and collaborative leadership that align with the core mandate of the Chief Principal Lecturer II position. I am confident that my experience, achievements, and commitment to advancing public sector governance and training make me an ideal candidate for this role.

I have attached my curriculum vitae and supporting documents for your review. I would be honored to discuss how my qualifications align with the needs of this critical position. I can be reached at 0721-450-619 or via email at Robert.nganga@ksg.ac.ke at your earliest convenience.

Thank you for considering my application. I look forward to contributing to the Kenya School of Government's mission of empowering public sector leadership.

Yours faithfully,

Dr. Robert Ng'ang'a
