Dear Sir

RE: PROMOTION TO PRINCIPAL LECTURER

In response to internal vacancies advertised, I hereby hand in my application to be considered for promotion from position of Senior Lecturer to Principal Lecturer. Serving as a Senior Lecturer accorded me chance to gain experience above mastery of concepts and proficiency in delivery. I am ready for challenging experiences to serve the school well as a Principal Lecturer.

Attached herewith please find my curriculum vitae and testimonials for your attention and further necessary action.

Looking forward to adding value strategically to the school and socio-economic development of the country.

Thanks in advance.

Yours faithfully

EVANS ODHIAMBO OKOYO
