Dear Sir,

RE: Application for Position of Senior Principal Lecturer – SPL/03/2024-25

In response to the Internal Advertisement Ref. No. KQS/ADM/3 (34) dated March 26, 2025, I am applying for the position of Senior Principal Lecturer.

I began my career as a lecturer at Daystar University in 2005, specializing in ICT programs within the Faculty of Business, Department of Management Information Systems. In 2012, I joined the Kenya School of Government-eLearning and Development Institute, where I have held various roles including Training Coordinator, Training Manager, and currently Deputy Director. My responsibilities have centered on managing, coordinating, and delivering training, research, consultancy, and advisory services.

Since August 2019, I have also served as Principal Lecturer, eLearning. In my dual role as Deputy Director and lecturer, I oversee the design, development, and delivery of curriculum and training content, and manage the Learning Management System for online courses. I lecture on topics such as Data Protection, Cyber Security, Data Analytics, Information Systems Security, Financial Management for World Bank Project Accountants, and Electronic Records Management. Additionally, I contribute to Senior Management Course, Strategic Leadership Development, and Diploma in Public Administration programs.

My work includes consultancies, research assignments, and organizing knowledge exchange forums, including video conferences and online dialogues with local and international partners. I collaborate closely with National and County Governments and development partners to deliver capacity-building initiatives for the public service.

I am a self-motivated lecturer with strong organizational, coordination, and interpersonal skills. As a Kenyan citizen of good moral standing, I adhere to the requirements of Chapter 6 of the Constitution of Kenya. I believe my experience and strengths make me well-suited for the role of Senior Principal Lecturer.

I look forward to your favourable response.

Yours faithfully,

Vera Obonyo
