The Director General,
Kenya School of Government,
P.O. Box 23030 00604,
Nairobi

Dear Sir,

REF: APPLICATION FOR POSITION OF SENIOR RESEARCH FELLOW – KGS 6
REFERENCE No. SRF/08/2024-25

I hereby submit my application for the above mentioned position as had been earlier advertised. I am a 41 year old Kenyan male currently employed and deployed as a Research Fellow I at the Center for Environmental Governance and Climate Change in Kenya School of Government, Lower Kabete Campus. I hold of Degrees in MSc. in Environmental Planning and Management (University of Eldoret) and BSc. in Environmental Studies (Community Development) from Kenyatta University. Currently, I am pursuing a Doctorate in Environmental Planning and Management at Rongo University and has since submitted my dissertation for examination. I have undertaken skills training in: Microsoft Office suite computing; Use of Geographic Information Systems /Remote Sensing in Natural Resources Management; Statistical Package for Social Sciences; Knowledge Management and Capacity Development for Environment and Water Resources Management; Environmental Impact Assessment/Environmental Audit; Integrity Assurance Officers, Job Evaluation in public service, Senior Management, Supervisory Skills Development, National Land Acquisition and Resettlement Management, Urban Climate Resilience Masterclass and several specialized Training of Trainers Courses from institutions accredited by the Government of Kenya. I also undertook international training in: Green Growth, Circular Economy and Environmental sustainability, and Social Impact Assessment and Management Course from Danida Fellowship Centre in Copenhagen Denmark and University of Strathclyde, Glasgow UK, respectively. I am a registered member of the Kenya Institute of Planners, Environmental Institute of Kenya and Environmental Impact Assessment and Environmental Audit Expert with the NEMA - Kenya.

I previously worked as a: Sub County Environment Officer and Ag. Sub County Administrator in Nyakach for the County Government of Kisumu; part-time lecturer at Rongo University teaching and mentoring students in a wide range of areas for the Schools of Business, Science and, Agriculture, Natural Resource and Environmental Studies; full-time and on-call Research and Development Programme Associate for Victoria Institute for Research on Environment and Development International; project officer as well as research and field assistant for Kenya Agricultural Research Intitule /Western Kenya Integrated Environmental Management Program (Kisumu), Swedish Corporative Centre Vi-Agroforestry Project (Kisumu) and Sustainable Development Watch-Kenya.

Throughout this period I acquired experience, skills and competencies that have shape my career in working with communities, civil society, public service, and private sector actors. I have a wide experience and expertise in: research, consultancy, advisory, training and capacity building; environment and natural resource management; sustainable development; stakeholder liaison and community mobilization; networking and partnership development; offering technical and administrative support to programmes.

I am a quick learner, team player, self-motivated and results oriented individual with good oral and written communication skills. It is therefore with great humility that I submit my application as a potential candidate for this job with the belief that my qualifications will meet the requirements.

Looking forward to your positive response.

Yours Sincerely

Antony Owuor Okeyo (PF. No. 20170144653)
