Dear Sir,

**RE: APPLICATION FOR PROMOTION TO THE POSITION OF SENIOR LECTURER
(INTERNAL ADVERTISEMENT)**

I wish to express my interest in being considered for promotion to the position of Senior Lecturer at the Kenya School of Government (KSG), following the recent internal advertisement. As a dedicated member of staff, I have continually aligned my professional growth and contributions with the School's mission of promoting excellence in public service through training, research, and consultancy.

I am currently pursuing a PhD in Management and Leadership at the Management University of Africa and expect to graduate in mid-November 2025. I hold a Master's degree in Management and Leadership, a Bachelor's degree in Computer Information Systems, a Diploma in Information Systems, and several professional certifications that have enriched my expertise in leadership, governance, policy development, and institutional capacity building. These qualifications have enabled me to contribute effectively to academic programs, institutional training, and public sector reform initiatives.

Over the years, I have consistently demonstrated commitment and value addition in my current role as Lecturer I. I have actively facilitated courses for various cadres of public servants, participated in curriculum development and review, engaged in research and consultancy assignments, and mentored participants across diverse programs, including the Strategic Leadership Development Programme (SLDP), Senior Management Course (SMC), and customized trainings for county governments and other public institutions.

My in-depth understanding of the School's systems, values, and strategic direction, coupled with a passion for public service transformation, positions me well to take on greater responsibilities as a Senior Lecturer.

I am confident that this role will enable me to make even more impactful contributions through strategic engagement in research, curriculum leadership, and academic mentorship.

I am sincerely grateful for the growth opportunities that KSG has offered me thus far, and I look forward to the opportunity to continue serving in a more senior capacity. Please find attached my updated curriculum vitae and copies of my academic and professional credentials for your consideration.

Thank you for considering my application.

Yours faithfully,
Cheruiyot, Eddah Chepkurui
