Following the KSG internal job promotion advertisement dated March 26th, 2025, I hereby apply through your office for promotion from Senior Principal Lecturer Job Group **(KSG 4)** to Chief Principal Lecturer II Job Group **(KSG 3)** to be more motivated in line with the government policy of promoting and sustaining productivity in the Public Service due to the following reasons:

- i) I have worked in the Public Service for over **24** years. I have served at Job Group (KSG 4) at KSG for over six **(6)** years that qualifies me to be promoted to the next scale. I was last promoted in October 2018.
- ii) I have Masters (Economics) and B.ED (Arts) degrees from Kenyatta University, a qualification required to be a Chief Principal Lecturer II (KSG 3). The B.ED degree is a profession for teaching and T.O.T course has helped me how to handle adult learners effectively at KSG,
- iii) I have done *Strategic Leadership Development Programme (SLDP)*, *Senior Management Course (SMC)*, *Training of Trainers (TOT)*, *Training Needs Assessment (TNA)*, *Customer Service Excellence* and *Computer Skills Course* among others which are relevant and a requirement to be promoted to Chief Principal Lecturer II.
- iv) I have a teaching experience in the Public Service for over **24** years, having taught at Kenya School of Government, for over **19** years, *and on part-time basis* at Kenyatta University, Catholic University, Kisii University, Mount Kenya University, Kenya School of Monetary Studies, Kenya Methodist University, Kenya Institute of Management **(KIM)**, Augustana College and Institute of Personnel Management **(IPM)** *now the IHRM* among others.
- v) I am a member of **KIM** a professional body which keeps me updated with current management issues all over the world which are relevant when teaching KSG Participants.
- vi) I have been an external examiner and a marker of two professional examination bodies for over **13** years, the experience gained is necessary in training and examining our KSG participants.
- vii) My PAS performance is impressive for example in the FY 2023/2024 staff appraisal I scored over **96%** and have produced good grades in both internal and external examinations in the areas I teach. The participants appreciate my teaching and this helps in marketing our KSG to get more clients as evidenced in the individual lecturer's evaluation comments and results here in attached.
- viii) I have supervised several research projects at diploma level (5 DPA level), many SLDP and SMC projects.

Kindly consider my application for promotion to enable me to be more motivated, productive and serve our public service (KSG). Find enclosed my CV, copies of academic certificates letters of appointment and relevant testimonials for your perusal.

Yours faithfully,

Yophen Sevelius Barongo.
