Dear Sir,

RE: APPLICATION FOR LECTURER I position (LI /08/2024-25).

I Iguku Wakarindi Yvonne writes this letter to express my interest on the above position in the organization. I am a Kenyan by birth, having successfully pursued a Masters in Information systems managements, Bachelor's in Information Technology (IT) and a diploma on the same from KCA University, where I gained extensive knowledge on research, technology, and system management. Over and above, I have 6 years work experience having worked at KSG eLDi, KCA University, ICT Authority, kenyaweb.com and adventure360. During the past few years at eLDi I have worked as an ICT Officer where I also worked as an elearning instructional designer. I have also been involved in digitization of programs at eldi with the role of content development and as graphics and design personnel. For the past three years I participated in digitization of KSG courses i.e. data protection and Probation and After Care services course for PACs. At KCAU I have worked as a part time lecturer in the school of technology. I am self-motivated, team player, strategic thinker, good listener, flexible, interactive and with good communication skills. With the experience acquired, I believe I would make a good fit for this role. I welcome the challenge to work with you in a bid to build my professional skills, while upholding the visions and goals of the institution. Kindly find enclosed herewith my comprehensively spelt-out curriculum vitae highlighting my fields of studies, attributes and competencies.

I look forward to hearing from you. Thank you.

Yours Sincerely,

Yvonne Iguku
