Personal profile

A self-motivated and easily adaptable to the dynamic changes taking place within the large registry offices in the School and the Campuses. I am focused in seeing duties completed within specified time as described by my job description in my current appointment. I have managed to establish a good customer relationship in my daily interactions with both internal and external clients which has earned the Campus a reputable name in and outside its premises.

Achievements

- Have managed to initiate several process aligned to improvement of files location and retrieval using proper file storage facilities under key and lock system.
