Dear Sir,

APPLICATION FOR DEPUTY DIRECTOR, SUPPLY CHAIN MANAGEMENT SERVICES DDSCMS/21/2024-25
KSG 4

I am writing to express my interest in the Deputy Director Supply Chain position at the Communication Authority of Kenya. With over 15 years of extensive experience in procurement and supply chain management, I am confident in my ability to contribute effectively to your team and drive the strategic goals of your esteemed organization.

My career has been marked by significant achievements in optimizing procurement operations, enhancing supply chain efficiency, and fostering strong supplier relationships. In my current role as the Supply Chain Manager at the Kenya School of Government (KSG), I have successfully spearheaded end-to-end supply chain operations, developed strategic sourcing strategies, and implemented robust inventory management systems. These initiatives have resulted in improved efficiency, cost savings, and timely delivery of goods and services.

I hold a Bachelor of Business Management in Purchasing and Supplies from Mount Kenya University and an MBA in Procurement from KCA University. Additionally, I am a Certified Procurement and Supply Professional of Kenya (CPSP-K) and a licensed Supply Chain Management Practitioner, which underscores my commitment to professional excellence and adherence to best practices in the field.

My professional journey includes key roles such as Principal Procurement Officer at KSG and Senior Supply Chain Management Officer at the National Council for Persons with Disabilities (NCPWD). In these positions, I have demonstrated expertise in contract negotiation, supplier relationship management, inventory optimization, and risk mitigation. My strategic leadership skills, combined with a deep understanding of procurement policies and regulatory requirements, have enabled me to streamline processes and drive continuous improvement across the supply chain.

One of my notable achievements includes developing and implementing a centralized procurement system at KSG, which significantly enhanced transparency, reduced costs, and improved operational efficiency. I have also led initiatives to promote sustainable supply chain practices, such as reducing carbon emissions and promoting ethical sourcing, aligning with the Communication Authority of Kenya's commitment to sustainability and ethical practices.

I am particularly drawn to the Deputy Director Supply Chain role at the Communication Authority of Kenya because of the organization's reputation for excellence and innovation in the communications sector. I am eager to leverage my skills and experience to support your mission and contribute to the continued success of your operations.

I am excited about the opportunity to bring my strategic vision, leadership capabilities, and dedication to excellence to the Communication Authority of Kenya. Thank you for considering my application. I look forward to the possibility of discussing how my background, skills, and Certifications align with the needs of your team.

Yours sincerely,

Muktar Mohamed Amin
