Dear  
Sir,

**RE:APPLICATION FOR THE POSITION OF DRIVER 1-D1/30/2024-25.**

I am writing to express my strong interest in consideration for the position of Driver 1 position at Kenya School of Government. With 14 years of experience as a driver, I have developed valuable skills that I believe would make me a great addition to the institution. My experience in driving has given me the ability to be responsible, safety-conscious and a skilled problem solver, all of which are my guiding principles as a driver.

As a driver, I have gained experience in driving a variety of vehicles, including the institution buses. This experience has helped me to develop a strong sense of responsibility, as I am aware of potential risks and dangers that come with driving. Additionally, I have prioritized safety, whether that means following traffic laws or maintaining proper vehicle maintenance. I am confident that these skills would translate well as a driver at Kenya School of Government.

I am particularly proud of my ability in reducing fuel consumption by 15% through developing more efficient driving routes and habits hence reducing environmental impact but also helped to save money to the institution. I am confident that my skills and experience would make me an excellent fit for the mentioned above position. I look forward to the opportunity to contribute to the institution and your team.

Thank you for considering my application.

Yours sincerely,

Abel Mwiti
