Dear Sir,

Re: Application for the Position of Chief Principal Lecturer II

In response to your advertised position, I am formally submitting my application for your consideration. My educational background includes a Doctorate degree in Business Administration (Strategic Management), an MBA in Strategic Management, and a Bachelor of Business and Office Management, all earned from Jomo Kenyatta University of Agriculture and Technology.

My professional journey commenced at JKUAT, where I advanced through the ranks to achieve the position of Lecturer within the Entrepreneurship Technology, Leadership, and Management department. During this time, I also took on the role of Chairperson for the department. Subsequently, in May 2019, I transitioned to Umma University as the Registrar for Planning Administration and Finance, a role where I actively contributed to the overall administrative direction of the University.

In October 2020, I joined the Kenya School of Government in the capacity of Deputy Director, Learning and Development and served for a period of 3 years and later appointed on acting capacity as the Director, Mombasa Campus. Over the course of my 20-year tenure in academia and administration, including eight (8) years at senior management level, I have cultivated skills that positioned me as a proficient administrator, trainer, researcher, and a consultant.

My current responsibilities as Campus Director encompasses providing support for the strategic direction and leadership of the campus, implementing management decisions, plan, develop and promote delivery of the mandate of the campus activities and programs, ensure prudent and accountable management of resources and assets, monitor, evaluate and report performance in all areas of responsibility and promote high public service standards including integrity and professionalism among others.

For your convenience, I have enclosed my curriculum vitae and copies of my academic certificates. I eagerly anticipate the opportunity to engage in an interview to further discuss how my background and expertise align with your requirements. Thank you for considering my application.

Yours faithfully,

Rukia Atikiya, Ph.D.
