Dear Sir,

**APPLICATION FOR THE POSITION OF PRINCIPAL SUPPLY CHAIN
MANAGEMENT OFFICER**

Following the internal job advertisement referenced KSG/KQS/ADM/3(34) dated March 26, 2025, I write to express my interest in the above declared job vacancy at the School.

With over 15 years of experience in the supply chain management, I believe I am the suitable candidate the School is scouting for the job. Grown through the ranks of procurement management in public sector from the junior most clerical officer to now heading the Supply Chain Department at Embu Campus, it has been a life changing moment of gaining new insights, building managerial capabilities and understanding the law and regulations governing procurement.

Currently I am serving as Senior Supply Chain Management Officer stationed at Embu Campus. Additionally, I am serving for the second term as a Board Member Trustee for the School's Pension Scheme representing the four Campuses of the School where we invest and manage the assets of the Scheme on behalf of the members.

I am an excellent communicator with great interpersonal skills and strong abilities in organizing a team to achieve the strategic procurement plans, resource mobilization, and partner engagement. Besides, I can optimally work under pressure and meet deadlines as required within the law.

Please find attached my detailed Curriculum Vitae, academic qualifications, testimonials, and merit leadership certificates for your consideration.

Yours faithfully,

Mohamed Kalmey Muhumed
