Dear Sir,

RE: APPLICATION FOR THE POSITION OF DEPUTY DIRECTOR, CORPORATE COMMUNICATIONS AND MARKETING (DDCCM/33/2024-25)

I am writing to express my keen interest in the position of Deputy Director, Corporate Communications and Marketing.

I am a results-driven and personable Marketing professional with over 18 years of progressive experience in Marketing, Public Relations, and Communications. My career began in the real estate sector before transitioning to the higher education space.

I currently serve as the Assistant Director, Corporate Communications and Marketing at the School, a role I have held since September 2019.

In my current capacity, I lead a wide range of strategic marketing initiatives including brand management, media and public relations, stakeholder engagement, event management, content development, digital marketing, and customer relations. I am also responsible for annual marketing planning, production and distribution of marketing materials, and spearheading stakeholder forums to strengthen institutional networks.

Since joining the School, I have led key digital transformation initiatives in response to the COVID-19 pandemic, greatly enhancing the School's online presence and stakeholder engagement. I also spearheaded the revamp of the School's website, coordinated revenue-generating stakeholder forums across counties, revived dormant programs, secured media space to amplify our mandate, and played a central role in organizing the School's 10th anniversary celebrations and other successful conferences.

Prior to this role, I spent nine years as the Marketing and Advertising Officer at Daystar University. During my tenure, I played a pivotal role in significantly increasing student admissions—from 300 in 2011 to over 900 at the time of my departure. Before Daystar, I served at Kenya Methodist University (KeMU) as an Assistant PR Officer and later as a Marketing Officer. I was instrumental in setting up marketing departments in multiple campuses including Nairobi, Nyeri, Mombasa, and Nakuru. At the Nairobi campus alone, student numbers rose from around 200 in 2006 to over 5,000 by 2010.

The Deputy Director role presents an exciting opportunity to apply my strategic leadership skills in a broader capacity. With my extensive background in institutional marketing, communications, and stakeholder engagement, I am confident in my ability to contribute meaningfully to the School's mission and its vision to transform the Public Service. I bring not only expertise but also a deep passion and commitment to public sector excellence.

I would welcome the opportunity to further discuss how my experience aligns with your needs and how I can contribute to the continued growth of the School.

Thank you for considering my application. I look forward to your favorable response.

Yours faithfully,

Pamela Kaari Nyagah
