REF: Application for the Position of Senior Research Fellow – Ref No. LI/08/2024-25

Dear Sir/Madam,

I am writing to express my interest in the position of **Lecturer I**, as advertised internally under reference number **LI/08/2024-25**. I am currently serving as a **Research Fellow** at the Kenya School of Government, where I have been actively involved in research, knowledge development, and institutional engagements that align with the School's mission.

Academically, I hold a **Bachelor's degree in Journalism and Media Studies** and a **Post-Graduate Diploma in Crisis and Disaster Management** from Beijing University. I recently completed the **Senior Management Course (SMC), Cohort 432/2025** at the Kenya School of Government. This course has broadened my perspective on public sector leadership and enhanced my management competencies—foundations that I intend to build on through future enrolment in the **Strategic Leadership Development Programme (SLDP)**, as part of my ongoing commitment to personal and professional growth.

During my time at the School, I have had the opportunity to contribute to a **book chapter** in the Director General's manuscript, which enriched my research writing and collaboration skills. My work has also included participation in **public engagement forums, retreats, seminars, and plenary sessions**, often serving in the capacity of a **rappporteur**, where I have developed key skills in documentation and stakeholder communication.

I have further supported research activities through **project surveys, data collection, key informant interviews**, and effective **group coordination**, coupled with accurate data entry and analysis. These experiences have provided a practical foundation that I hope to expand upon in a more senior role.

This application reflects my desire for **career progression** and a keen interest in deepening my contribution to public policy and governance research. I am confident that the competencies I have gained will allow me to thrive and deliver effectively in the Senior Research Fellow position.

Thank you for considering my application. I would be honored to continue serving the Kenya School of Government in a more advanced capacity.

Yours faithfully,

Klein Mairu Kalonzo
