- Overseeing allocation of office accommodation and office layout.
- Developing and maintaining office security and security protocols.
- Coordinating the repairs and refurbishment of the institutions' buildings, facilities, furniture, and fittings.
- Coordinating the implementation of records management activities and strategies.
- Responsible for the provision of effective support services such as transport, secretarial, cleaning, and clerical functions among others.

- Responsible for the provision of a safe and healthy working environment including compliance to OSHA.
- Responsible for the provision of effective staff medical schemes and coordination of staff pensions;
- Coordinating the preparation of periodic progress reports.

HR Planning & Forecasting

- Establishing and implementing short- and long-term corporate human capital plans, including maintaining or improving employee relations, talent acquisition and development, succession planning, workforce planning, compensation and benefits, and performance management.
- Served as a strategic adviser to the board on all departmental restructuring, workforce planning, and business realignments.
- Partnered with key executives across the businesses to drive employee engagement, morale, and performance in an environment experiencing both significant external and internal organizational change.
- Spearheaded standardization of HR forms/processes across offices and ensured the use and sharing of best practices.

Recruitment & Selection

- Developed Job descriptions for all positions detailing roles and specifications to guide our talent selection process and developed the institution's establishment plan.
- Trained management team on interviewing techniques and best practices, conducting workshops and one-on-one coaching sessions that contributed to sound hiring decisions.
- Updated recruitment processes, encompassing sourcing, screening, interviewing, selection, and onboarding.
- Designed and developed comprehensive interview guides to improve candidate quality by testing both technical and interpersonal attributes.
- Developed and implemented a new-hire orientation/onboarding program.

Performance Management

- Instituted a formal performance management process that built performance accountability into all levels of the process.
- Spearheaded the annual employee performance appraisal process including training all staff in the process, handling remedying of poor performance, etc.

Benefits & Compensation Management

- Developed and implemented a performance/Merit-based remuneration scheme.
- Conducted salary and benefits survey, evaluated and reviewed the salary structures to align with the market rate resulting in increased staff morale and retention.
- Managed and communicated corporate-wide benefits upgrades, expansion and cost management.

Employees Relations Management

- Ensures consistent application of policies and procedures.
- Managed all disciplinary, grievance, and conflict resolution amongst staff in line with the Labour legislation and HR policies and regulations.
- Spearheaded the development and implementation of staff welfare programs.
- Devised creative and cost-effective incentive and morale-boosting programs (including special events) that increased employee satisfaction and productivity.

Training & Development

- Fostered employee and organizational development, encouraging strengths and identifying potential areas of growth. Developed and taught extensive training programs for management/employees on diversity inclusion, leadership, change management, sexual harassment, and legal compliance.
- Trained management team on interviewing techniques and best practices, conducting workshops and one-on-one coaching sessions that contributed to sound hiring decisions.
- Introduced new-hire orientation programs to include HR information and company resources.
