Profile Summary

A result-oriented, ambitious and successful Credit and Risk Management professional with over (15) years track record of building high-performing teams and inspiring staff in optimizing organizations to achieve maximum growth and market share with a view of maximizing returns while minimizing risks. I have gained valuable experience in all areas of accounting, including debt management, internal controls, Credit Control and financial reporting. Along with all the necessary qualifications and experience, I am a good team player who believes in exploring people's potential to the maximum. My written and verbal communication skills are impeccable, as are my leadership and team-building abilities, as I always have to often allocate tasks, train and mentor junior staff.
