Dear Sir,

REF: APPLICATION FOR KSG LECTURER 1 (JOB GROUP 7)

I am writing to express my interest in the Lecturer I position at the Kenya School of Government (KSG). With over six years of experience in capacity building, program coordination, project management, and stakeholder engagement, I am deeply committed to advancing KSG's mission to transform public service through the promotion of national values and the development of key skills for high-quality service delivery.

Since joining KSG on January 4, 2023, I have been actively involved in delivering the School's core mandate, particularly through the Security Management Institute (SMI). I am proud of the meaningful contributions I have made during this period, which include:

1. **Strategic Program Development:** Development and implementation of several key programs including the Kenya Coordinated Border Management Program, Border Security, Prevention and Countering of Violent Extremism, Community Policing, and the Women in Security Program.
2. **Strengthening Partnerships:** Led in the development of technical and financial proposals and facilitated partner relations with national and international stakeholders, resulting in strengthened collaborations and resource mobilization for SMI programs.
3. **Research and Training:** Conducted in-depth research, coordinated, and facilitated numerous security-related training programs. I also participated in the publication of the *Kenya Migration Profile 2019–2024*.
4. **Policy Engagement:** Produced policy briefs and developed actionable recommendations for both government and partner agencies, informed by rigorous monitoring and evaluation of program impacts.

5. **Professional Development and Excellence:** Completed the Senior Management Course and the Supervisory Skills Development Course, along with other specialized training. These have enhanced my leadership and technical competencies. I am also an accredited member of the Kenya Association for Public Administration and Management (KAPAM).

My time at KSG has been both impactful and enriching, allowing me to grow professionally within an institution dedicated to public service excellence. I am now seeking to contribute at a higher level, one that aligns with my experience, qualifications, and passion for transformative public sector development.

Thank you for considering my application. I welcome the opportunity to further discuss how my background, skills, and commitment can support the continued success of KSG's mandate.

I am available at your earliest convenience and can be reached at +254790732377 or sarah.hepworth@ksg.ac.ke

Yours sincerely,
Sarah Njambi Hepworth
