A Nairobi, Kenya

OBJECTIVE

A dedicated civil servant with over six years of experience in program coordination, stakeholder engagement, and capacity building, specializing in peacebuilding, gender, and security. Passionate about advancing transformative programs, I have successfully led initiatives addressing violent extremism, border security, and gender inclusion. With a proven ability to influence policy and empower marginalized groups, I aspire to drive impactful social and economic development on national and global platforms.

EXPERIENCE

January 2022 - Present

Lecturer II – Security Management Institute, Kenya School of Government

Key Achievements:

- Developed and implemented border security and Kenya Coordinated Border Management programs, fostering collaboration and strengthening security across the Eastern African region.
- Participated in development of curriculums, training materials, program validation and curriculum reviews.
- Prepared board papers for course validation process.
- Facilitated several sessions for Border security.
- Coordinator for Border Security Programs, Women in Security, Community Policing and Prevention and Control of Violent Extremism and lead convener for various stakeholder engagements.
- Lead international and national partner and stakeholder liaison for several consultancies.
- Participated in several capacity building consultancies and contributing to resource mobilization for the Institute.
- Authored successful technical and financial proposals, prepared requests for quotations.
- Recognized contributor to the Kenya Migration Profile 2019-2024 consultancy.
- Conducted extensive report writing, producing key policy briefs
- Monitored and evaluated program impact, ensuring alignment with national and regional security objectives.
