Dear Sir

Re: Application for Promotion to Senior Principal Lecturer

I am writing to apply for the position of Senior Principal Lecturer at Kenya School of Government, Matuga Campus as advertised on 26 March 2025.

Having served as a Principal Lecturer for 13 years since 19 September 2012, I have accumulated sufficient knowledge and experience to serve in the applied for position.

During the said period, I have been able to: prepare and deliver high quality facilitation; participate in developing and reviewing training curricula; prepare successful bids for Consultancy assignments and executed them successfully; perform administrative and managerial tasks including serving as head of department in Research and Consultancy.

I have also had the opportunity to attend several courses and seminars both locally and internationally thus strengthening my abilities and competencies to deliver on the core mandate of the School.

In support of my application I have attached a copy of my CV, certificates and testimonials. I would enjoy having the opportunity to discuss my application with you and how I could use my skills to benefit the School.

Thank you for considering my application. I look forward to hearing from you.

Yours sincerely

Richard Nyasimi Nyambati
