**RE: APPLICATION FOR POST OF PRINCIPAL SUPPLY CHAIN MANAGEMENT
OFFICER.KSG 6.REF 2023/47**

I am writing to express my keen interest in the position of Principal Supply Chain Management Officer as advertised through a career advancement circular at the Kenya School of Government. With my strong educational background in Purchasing and Supplies Management from Government training Institutes, Mombasa, Embu and Baringo and my prior experience as a Senior Supply Chain Management Officer at the Kenya School of Government - Nairobi, I am confident in my ability to contribute to the efficient operations and success of the organization.

During my tenure as a Senior Supply Chain Management Officer at the Kenya School of Government Nairobi, I gained valuable experience in overseeing procurement and supply chain activities. I successfully managed the procurement process, from sourcing suppliers and obtaining competitive bids to contract negotiation and supplier relationship management. I also played a pivotal role in maintaining optimal inventory levels, ensuring timely delivery of goods and services, and implementing cost-saving measures.

I am particularly drawn to the Kenya School of Government's commitment to excellence in public service and the opportunity to contribute to the development of professionals in the public sector. I believe my skills, experience, and passion align closely with the organization's goals and objectives.

I am confident that my strong work ethic, dedication, and ability to collaborate effectively with cross-functional teams will make me a valuable asset to the Kenya School of Government. I am eager to contribute my knowledge and skills to the continued success of the institution.

Thank you for your time and consideration

Sincerely

Mary M. Kingola
