10. Mwanzia, J. S. (2011). Performance Management: *From mere Appraisals to Learning Maps*. Paper presented at the International Association of Schools and Institutes of Administration (IASIA), Rome, Italy 13th -18th June.

11. Mwanzia, J. S. (2006). *Cooption, coercion, empowerment or transformation? The contradictions of participation in educational policy planning and implementation in Kenya*. Paper presented at the New Zealand Association of Research in Education (NZARE) National Conference at Grand Tiara Hotel and Conference Centre, Rotorua, New Zealand from 5th – 8th December. The conference explored the importance of *Manaakitanga* (Relationships) to education and development.
12. Mwanzia, J. (2006). *Does he who pays the piper call the tune? Exploring the spaces of democracy, empowerment and transformation provided through participation in educational programmes in Kenya*. Paper presented at New Zealand International Development Studies Network (DevNet) Biennial Conference at University of Otago, Dunedin, New Zealand, from November 30th – 2nd December. In attendance to the conference theme “Southern Perspectives on Development: Dialogue or Division?” the paper explored the extent to which, as a means of poverty reduction, stakeholders’ participation in aid programmes enhanced ‘equal’ partnerships, democratic practice and empowerment of disadvantaged communities. The Research Cluster on Poverty, Inequality and Development [<http://www.devnet.org.nz/conf2006/index.html>] in collaboration with New Zealand International Aid and Development Agency (NZAID) hosted the conference.
13. Mwanzia, J. (2006). *Empowerment and Transformation: Enhancing indigenous people’s wellbeing through participation in educational programmes in Kenya*. Paper presented at the Traditional Knowledge Conference at Te Papa Tongarewa Museum of New Zealand, from 14th – 17th June. In tandem with the conference theme, ‘Indigenous Indicators of wellbeing: Perspectives, Practices and Solutions’, the paper explored the convergence between government and donors’ approaches to participation and indigenous-cultural practices of participation. It also assessed the extent to which the resulting relational dynamics enhanced benefits of empowerment and social change to disadvantaged communities. The conference was held under the auspices of the Institute of Research Excellence for Maori Development and Advancement in collaboration with the University of Auckland and Indigenous Organizations of New Zealand.

I. SUPERVISION OF RESEARCH PROJECTS
