Dear Sir/Madam,

RE: APPLICATION FOR THE POSITION OF SECURITY WARDEN I(KSG 11) Ref.
No: SWI/41/2024-25

I am writing to apply for the position of **Security Warden I**, Job Group **KSG 11** as advertised internally vide **Ref: KSG/KQS/ADM/3(34)** on March 26, 2025.

I have served as a **Security Warden II (KSG 12)** for the past 11 years and have consistently performed my duties with dedication and discipline. During this period, I have gained valuable experience in handling various security matters and working closely with both my supervisors and fellow officers.

In my current role, I have taken part in important responsibilities such as conducting security checks, keeping custody of lost and found items, controlling access to restricted areas, and maintaining records of incidents. I have also provided support and guidance to junior officers whenever needed.

I meet all the requirements for the position, including holding a certificate in **Disaster Management & Response – Fire safety/Fire fighting**, having more than 9 years of experience in the security field, and being trained in First Aid. I am also proficient in computer use and always uphold public service ethics and values.

I kindly request your consideration for this promotion so I may continue to serve with even greater responsibility. I am confident that I will continue to contribute positively to the security and safety of our institution in the higher role.

Thank you for considering my application. I am available for any further information or interviews that may be required.

Yours faithfully,

Ali Saidi Mwakutunza
