Dear Sir,

APPLICATION FOR SENIOR HOSPITALITY OFFICER

JOB GROUP KSG 7-VACANCY REF NO: SHO/43/2024-25

I refer to your internal job advertisement dated March 26th, 2025. I express my interest in the above mentioned post. I am currently pursuing my postgraduate degree, Master of Business Administration (MBA)-Strategic Management option. I have submitted my proposal to the university and now waiting for communication on the next defense date. I also possess a Bachelor's degree in Hotel and Hospitality Management. I am confident that my management, public relations, supervisory and peer education knowledge acquired in the Senior Management course, Supervisory Management course, Performance Management course, Management Skills Development course, Public Relations and Customer Care course, Peer Education and Counselling training will help me showcase my skills, expertise and more so gain practical work experience in this position.

I am a self-motivated and progress focused Hospitality Officer KSG JG 8 with a vast experience in the hospitality industry. I chose to work in hospitality industry because I am passionate about providing excellent customer service and making sure that clients feel welcome. Hospitality is a great way to do this, as it allows me to interact with clients on a daily basis and ensure they are having the best experience possible. Additionally, I love the challenge of problem solving in order to make sure guests are happy and satisfied with their stay or visit. Working in hospitality department gives me an opportunity to learn more about my clients' expectations and current trends from around the world and implement in the School, which is something that has always interested me.

I gained a profound intellectual and on the job experience during my volunteer attachment in Lake Elementaita lodge, industrial attachments in Mombasa Serena Beach hotel, Tamarind hotel Mombasa and two (2) in KSG-Mombasa campus for my undergraduate and postgraduate studies. In my fifteen (15) years of experience working in Government Training Institute and Kenya School of Government as a supervisor in Estate Management section, Catering-Food Production and Food and Beverage service sections, clients' and staff have confessed that I am a result oriented and organized officer. I take ownership of all my duties with a strong sense of responsibility and accountability. In the Financial Year (FY) 2021/2022, I had the privilege of being nominated by my supervisor to act as a head of department, while he proceeded on leave. It was a great and challenging experience. Again, FY 2022/2023 on 30th May, 2023 my head of department in writing nominated me to stand in for him as he proceeded for leave. I am currently working as a supervisor in housekeeping section which is enjoyable for me but I believe I have outgrown the challenges in that level and I now require different career trajectories by moving up the career ladder.

In the course of my career, I have honed my interpersonal communication skills both verbal and written, which I use to interact with and influence others. I am a capable and consistent problem-solver skilled at prioritizing tasks with professionalism. In my current role, I enjoy mentoring staff by sharing my knowledge, skills and experience. I possess conflict resolution skills which are vital in my day to day activities at work for team efforts and staff motivation. I am a hospitality officer who is up-to-date with the latest trends and make valuable proposals that improves customers' experience. Feedback is priceless in any organization, but especially so in hospitality. As a supervisor, I value feedback and advice from clients and my colleagues for my continuous improvement. I also understand experts' opinions that positively impact hospitality department growth. I have a track record of excellent performance and dependability which I believe will contribute to the growth and success of the School.

I look forward to your response.

Yours faithfully,

Jane Wairimu Muriithi
