Work Experience

Employer	Job Title	Country	Start Date	End Date	Location	Job Description	Duties and Responsibilities
JKUAT University	Data Analyst/Tutor	Kenya	01 May 2015	30 Jun 2018	Kisumu & Nairobi	Delivered Foundational Instruction in Quantitative and Analytical Subjects: Provided tutoring and academic support to bridging course students in mathematics and statistics, preparing them for undergraduate programs by strengthening their foundational understanding in line with university entry standards. Conducted Applied Data Analysis for Research Projects in the School of Mathematical Sciences: Supported faculty and postgraduate students with statistical modeling and data interpretation, applying advanced analytical methods such as regression, survival analysis, and hypothesis testing to real-world academic research projects within the School of Mathematical Sciences. Developed and Automated Financial Models for University Budgeting Systems: Designed and implemented automated budget tracking tools for internal use, reducing data analysis time by 50% and enhancing financial decision-making processes within academic and administrative units. Supported Curriculum and Academic Material Development: Assisted in preparing instructional content and academic resources for bridging students, aligning materials with JKUAT's mathematical sciences curriculum and improving learning outcomes through practical problem-solving approaches. Provided Technical Assistance in Statistical Software and Tools: Trained students and research peers in the use of statistical software such as R, SPSS, and STATA for data management, visualization, and analysis—contributing to the development of a data-literate academic environment within the department.	Tutored bridging course students in mathematics and statistics. Provided statistical support for faculty and postgraduate research projects. Designed and automated budget monitoring tools for university use. Contributed to curriculum development and academic material preparation. Trained students and researchers in statistical software (R, SPSS, STATA). Managed and analyzed academic and administrative research data. Supported quality assurance processes in academic delivery. Facilitated hands-on learning through practical quantitative applications. Collaborated on interdisciplinary research and data-driven projects. Maintained academic records and tracked student performance metrics.

Employer	Job Title	Country	Start Date	End Date	Location	Job Description	Duties and Responsibilities
Kenya School of Government	Research Fellow	Kenya	01 Sep 2019	30 Jun 2050	Nairobi	Lead Capacity Building in Public Sector Digital Systems: Lead the design and delivery of training programs focused on strengthening the digital skills of civil servants, emphasizing the application of data systems, analytics tools, and digital platforms to enhance governance and service delivery across national and county levels. Provide Technical Advisory on Digital Policy and Innovation: Provide research and advisory support on ICT-related policies, including the integration of digital tools in policy formulation, monitoring, and evaluation frameworks—promoting innovation and efficiency within public administration. Promote Data-Driven Decision-Making in Government :Apply advanced statistical techniques and real-time data analysis to support data-driven reforms in government, including the development of dashboards and digital reporting tools to track performance and improve accountability. Advanced Gender-Inclusive Digital Transformation: Designing and implementing digital training content that incorporated gender-responsive approaches, ensuring that digital infrastructure programs and public sector innovations were inclusive and aligned with national equity goals. Led Strategic Documentation and Knowledge Development for a National Gender Institute: Led the development of the Strategic Plan (SP), institutional documentation, and curriculum for the Margaret Kenyatta Institute of Gender and Social Development (MKI). Spearheaded the compilation and publication of a nationally endorsed book under the patronage of the former First Lady, contributing to Kenya's gender and social policy landscape through digital knowledge, structured program design, and capacity-building resources.	Preparation of research proposal Preparation of proposals for research grants Data collection, codification and analysis Dissemination of research output Provide technical support to faculty Assist in preparation of research reports Preparation of course materials Participate in delivery of training Coordination of courses and programs Preparation of research proposals and consultancy bids, Supervision of research students
